In the Matter of:

THE NOTICE OF PURCHASED GAS)	
ADJUSTMENT FILING OF WESTERN)	CASE NO. 8839-P
KENTUCKY GAS COMPANY)	

O R D E R

On December 1, 1983, the Commission issued its Order in Case No. 8839 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On July 8, 1985, Western Kentucky Gas Company ("Western") notified the Commission that it had received notice of revised rates from its supplier, Texas Gas Transmission Corporation ("Texas Gas"), and submitted with its notice certain information in compliance with its purchased gas adjustment clause on file with this Commission.

After reviewing the record in this case and being advised, the Commission is of the opinion and finds that:

(1) Western's notice of July 8, 1985, set out certain revisions in rates which Western proposed to place into effect, said rates being designed to pass on the wholesale decrease in price from its supplier in the amount of \$3,660,867 or 9.71 cents per MCF.

(2) On June 28, 1985, Texas Gas filed revised rates with the Federal Energy Regulatory Commission to be effective August 1, 1985.

(3) Western's adjustment in rates under the purchased gas adjustment provisions approved by the Commission in its Order in Case No. 8839, dated December 1, 1983, is fair, just and reasonable and in the public interest and should be effective with gas supplied on and after August 1, 1985.

IT IS THEREFORE ORDERED that the rates in the Appendix to this Order be and they hereby are authorized effective with gas supplied on and after August 1, 1985.

Done at Frankfort, Kentucky, this 18th day of July, 1985.

PUBLIC SERVICE COMMISSION
